Dated the 04 December, 2015

To,

Shri Krishna Ram Esharwal,  
By Director (RCH) & In-charge State PC-PNDT Cell,  
Directorate of Medical Education and Family Welfare Services,  
Rajasthan, Jaipur

Subject: Registration under PC & PNDT Act.

Sir,

I am directed to refer to your letter No. State PC-PNDT Cell/LA-18(R)/2015/881 dated 20.07.2015 on the above subject. In this matter, regarding the qualification and eligibility for using an ultrasound machine under the registration of PC & PNDT Act, it is clarified that all PG in Radiology/Obstetrics & Gynecology can do the sonography for Ante Natal checkup.

2. All the other medical post graduates and DNB holders can use ultrasound equipment in their specialized field in case Ultrasound is required in that specialized field. They however, need to be registered under the PC & PNDT Act, giving a self-explanatory affidavit specifying the use of ultrasound would be for so and so purposes and not for ANC checkups. This affidavit is to be submitted along with the application.

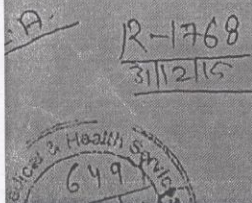

3. However, the Registered Medical Practitioners, Medical Post Graduates and DNB (Except in Radiology & Obstetrics & Gynecology) who are registered under PC & PNDT Act and are using ultrasound equipment for abdomen and maternal checkup, need to qualify competency based exams specified in Schedule II of Six Months Training Rules 2014 for the renewal of registration under the PC & PNDT Act.

4. Further, in case, the category of doctors at para 3 above fail to qualify the competency based assessment, they would have to undergo six-month, training as prescribed in the "Six-Month Training Rules" Gazette notification No. G.S.R. 14 (E) dated 10<sup>th</sup> January, 2014 under PC & PNDT Rules, 1994 for the purpose of renewal of registration under PC & PNDT Act.

5. This issues with the approval of JS(RCH).

Yours faithfully,

(D.K.Sahu)
